

2020 Scholarship Recipients

TREA had 185 completed scholarship applications for 2020. 29 were awarded \$2000 scholarships this year. It is the highest amount and the highest number of scholarships ever awarded by TREA. We regret that we couldn't present these scholarships in person as we have in the past. It has been one of the highlights of the Conference.

Congratulations to the 2020 TREA Scholarship Recipients!
