Scholarship Sponsors

During the 2025 Conference, sponsors and TREA will award a total of \$66,000 in student scholarships. These scholarships will provide invaluable support to deserving students from TREA member school districts, enabling them to pursue their academic dreams and future aspirations. We are immensely proud of these twenty-five students and the outstanding accomplishments they have achieved within their respective TREA districts and communities. We will celebrate the winners as well as the generous sponsors who have demonstrated their unwavering commitment to supporting the education and future success of these incredible students.

Thank You Sponsors
