TREA is proud to partner with [No Kid Hungry](#). No Kid Hungry Texas is a campaign of the national non-profit organization [Share Our Strength](#). No Kid Hungry Texas provides grants, resources and technical assistance to school districts and community organizations to help strengthen their child nutrition programs, ensuring that all kids have access to three healthy meals a day. No Kid Hungry Texas also partners with TREA to run the Texas Rural School District which provides six rural school districts \$30,000 and an opportunity to meet with one another to share promising practices in feeding students in their community.
