Texas Rural Education Association Announces the 2024 Student Scholarship Recipients

The Texas Rural Education Association (TREA) has announced the winners of their annual Student Scholarships for the 2023-24 school year. This year, TREA will award a record breaking \$63,000 in scholarships.

TREA is pleased to recognize and celebrate the outstanding achievements of these 25 exceptional students, who will be honored during the Scholarship Banquet at the annual conference, to be held at the Kalahari Resort & Convention Center in Round Rock, June 23-26.

This year the TREA Board of Directors added a new scholarship category called the Service Award Scholarship. There were 13 students selected for this new scholarship.

TREA would like to thank all of the students who participated in the application process and commend them for their hard work and dedication to their studies. The organization wishes all 2024 graduates the best as they pursue their future endeavors.

The association's commitment to supporting the educational ambitions of students in rural Texas communities is unwavering. The organization is proud to continue this tradition by providing these scholarships to deserving students. Thank you to all of the sponsors that support TREA and make the student scholarship program possible.

Congratulations to all of the winners, their families and their school districts!
